The Peace and Security Council of the African Union (AU), at its 258<sup>th</sup> meeting held in Addis Ababa, on 20 January 2011, adopted the following decision on the African Union – United Nations Hybrid Operation in Darfur and the situation in that region:

**Council,**

1. **Takes note** of the Report of the Chairperson of the Commission on the African Union – United Nations Hybrid Operation in Darfur (UNAMID) on the situation in Darfur [PSC/PR/2 (CXCVIII)] and the briefings by the Commissioner for Peace and Security and the Joint Special Representative for UNAMID, Professor Ibrahim Gambari, as well as by the representative of the Government of Sudan;
2. **Recalls** its communiqué PSC/PR/COMM-1 (CXCVIII), on the situation in Darfur and the activities of the African Union – United Nations Hybrid Operation in Darfur adopted at its 237<sup>th</sup> meeting held in Kampala, Uganda, on 21 July 2010;
3. **Expresses** its concern at the upsurge in fighting between the Government and armed movements, and **reiterates** the need for renewed efforts to ensure cessation of hostilities between the armed belligerents. Council **commends** the efforts by the Government to broker reconciliation agreements, as well as the measures taken by UNAMID on the ground to promote security and protect civilians. Council **pays tribute** to UNAMID for its excellent work towards the improvement in the security situation on the ground, protection of civilians and support to early socio-economic recovery, in spite of the security challenges facing the Mission, and **commends** the JSR for his leadership and outstanding commitment and contribution to the quest for peace in Darfur;
4. **Strongly condemns** the kidnapping of peacekeepers and humanitarian personnel, as well as attacks that targeted UNAMID in October and November 2010, and January 2011, and **acknowledges** the importance of UNAMID's robust engagement in discharging its responsibilities for promoting security in Darfur;
5. **Expresses its appreciation** to all humanitarian and other agencies providing assistance to the needy population in Darfur and undertaking early-recovery activities in Darfur, and **calls on** all concerned to facilitate the work of these agencies, including ensuring their security and safety, as well as unrestricted access to the needy population;
6. **Notes** the protracted negotiations and the slow and limited progress in the Doha political talks, and **stresses the need** to ensure the speedy conclusion of the Doha peace negotiations, in particular the immediate completion of the political agreement between the Government of Sudan and the Liberation and Justice Movement (LJM). Council, **once again, demands** that all the parties, in particular, Justice and Equality Movement (JEM) and Sudan

Liberation Army (SLA), engage in negotiations towards a ceasefire, in good faith and extend the necessary cooperation to the Joint Chief Mediator (JCM);

7. **Welcomes** the outcome of the meeting of 11<sup>th</sup> January between the Joint Special Representative (JSR) and the President of the Government of Southern Sudan (GoSS), H.E. Salva Kiir, during which the GoSS reaffirmed its commitment not to allow its territory to be used to support cross-border attacks into Darfur;

8. **Reiterates** the importance of the prompt commencement of the Darfur-based Political Process (DPP) as an important mechanism in assisting the people of Darfur to participate in and support the peace process, and **underlines** the need to create an enabling environment, including, *inter alia*, protection of the civil and political rights of participants such that they can exercise their views without fear of retribution, freedom of speech and assembly to permit open consultations, freedom of movement for participants and UNAMID, and proportional and equitable participation among Darfurians. Council **notes** that any positive outcome of the Doha negotiations, whatever form it takes, should form the basis of the DPP, which will provide the required inclusive forum;

9. **Welcomes** the outcome of the meeting of 15 January 2011, chaired by the AUHIP and including the GoS, UNAMID and U.S. Government, that resolved the immediate implementation of the resolutions of the 6 November Sudan Consultative Forum, namely, the convening of the Darfur Political Process, under the auspices of the AUHIP and UNAMID, and the transition from the Doha peace process to an inclusive and holistic set of talks, involving all Darfurian communities, to result in a Darfur-Darfur Conference that will promote a lasting political solution to the conflict in Darfur. Council also **welcomes** the establishment of the Joint UNAMID-Government of Sudan technical Task Force to monitor the conditions for an enabling environment and to develop modalities for implementing and facilitating the DPP. Council **requests** the JCM to harmonize and coordinate the final phase of its activities in line with the DPP and in close coordination with the AUHIP and UNAMID;

10. **Reiterates its full support** to the work of the AUHIP under the leadership of President Thabo Mbeki;

11. **Welcomes** the commitment of the State of Qatar to support and contribute to the DPP and **pays tribute** to the Qatari authorities for their commitment to peace in Darfur and Sudan as a whole;

12. **Decides** to remain seized of the matter.
