Council **also takes note** of the statements made by the AU Commissioner for Political Affairs, as well as by the representatives of the SADC Chairperson, the United Nations (UN), the International Organization of *La Francophonie* (OIF) and the European Union (EU);
2. **Recalls** its previous communiqués and press statements on the situation in Madagascar. Council **also recalls** the conclusions of the 7th meeting of the International Contact Group on Madagascar (ICG-M), held in Addis Ababa, on 26 June 2013;
3. **Reiterates its appreciation** to SADC and its Mediator in the Malagasy crisis, former President Joaquim Chissano of Mozambique, for their commitment as well as for their cooperation and coordination with the AU, which have greatly contributed to the progress that has been recorded. Council **commends** the Commission for its active involvement and contribution to the crisis exit process. Council **also reiterates its appreciation** to the international partners acting within the framework of the ICG-M for their continued support to the AU and SADC efforts;
4. **Welcomes** the positive evolution of the situation in Madagascar, notably the re-composition of the Special Electoral Court (CES), the removal, by the new CES, of the illegal candidacies from the list of candidates for the presidential election, the publication by the CES of a final list of 33 candidates who meet the legal requirements to participate in the presidential election, and the adoption by the Independent National Electoral Commission for the Transition (CENI-T), jointly with UN representatives, of a revised calendar for the holding of the forthcoming elections, which schedules the holding of the 1st round of the Presidential election for 25 October 2013 and that of a possible second round, coupled with the legislative elections, for 20 December 2013;
5. **Fully supports** the decisions taken by the CES, and **commends** the personalities and political groupings who have accepted the decisions of the CES. In particular, Council **commends** the President of the Transition, Andry Rajoelina, for the crucial role he played in the adoption of the required measures for the re-launching of the electoral process in a manner that is consistent with the relevant Malagasy legislation and the requests by Madagascar's partners, as well as for the full cooperation he extended to the AU and SADC;
6. **Urges** all Malagasy political and social actors to contribute positively to the ongoing process, in particular by maintaining peace and stability and upholding the spirit of tolerance and national reconciliation, in order to facilitate the successful holding of the presidential and legislative elections that will mark the completion of the restoration of

constitutional order. Council **further urges** the President of the Transition and the entire Transitional Government of National Unity to pursue the implementation process of the Roadmap for a way out of the crisis and to remain neutral throughout the electoral process;

9. **Urges** all AU Member States in a position to do so, as well as the international partners, to extend all the necessary financial, logistical and technical support to the ongoing process, in order to facilitate the holding of free, transparent, fair and credible elections;

10. **Welcomes** the steps and arrangements envisaged by the Commission in order to support and observe the electoral process, including through the deployment of long and short term observer missions led by eminent African personalities, and **encourages** it to ensure their early implementation. Council **urges** the other concerned international actors to take similar measures;
