COMMUNIQUE

**COMMUNIQUE OF THE 39TH MEETING OF THE PEACE
AND SECURITY COUNCIL**

The Peace and Security Council (PSC) of the African Union (AU), at its 39th meeting held on 30 September 2005, adopted the following decision on the status of implementation of the Comprehensive Peace Agreement (CPA) in the Sudan :

Council,

1. **Congratulates** the leaders and people of the Sudan for the successful formation of the Government of National Unity (GoNU), which is an important step towards the full implementation of the Comprehensive Peace Agreement, and **encourages** all the Parties comprising the new Government to continue serving the people of the Sudan. Council further **encourages** the Southern Sudan authorities to form the Government of Southern Sudan (GoSS), as soon as possible;
2. **Urges** the Government of National Unity to expeditiously form the relevant Committees, which would oversee the implementation of the CPA, and to resolve any other outstanding matters that may hinder the realization of peace in the Sudan;
3. **Commends** the International Community, in particular the United Nations and its specialized agencies, as well as other multilateral and bilateral donors, for the continued support given to the people of the Sudan, and further **urges** the international community to fulfill the pledges made at the Oslo Donors Conference to allow for meaningful progress to be made in the post conflict reconstruction of the Sudan;
4. **Takes** note of the efforts being made by the AU Ministerial Committee on Post-Conflict Reconstruction in the Sudan, including the planned conference on Africa's contribution to post-conflict reconstruction, scheduled for early January 2006, and the preparatory experts meeting of Member States, scheduled for November 2005. Council **welcomes** the decision taken by the Committee to undertake, as soon as possible, an assessment mission to the Sudan, with a view to providing further political and other support to the ongoing process.
